Notice of Annual General Meeting

9 a.m. on 18 March 2020

To be held at the Radisson Blu Hotel,
London Stansted Airport,
Waltham Close, Stansted CM24 1PP

Letter from the Chairman

Dear Shareholder,

I am pleased to enclose information about the forthcoming annual general meeting and details of our results for the year ended 30 September 2019.

Resolution 1: Annual report and accounts

The board of directors of the Company (the “**Board**”) will have pleasure in presenting to the meeting the accounts and the directors’ and auditors’ report for the year ended 30 September 2019.

Resolution 2: Declaration of dividend

The directors of the Company (the “**Directors**”) are recommending a final dividend for the year ended 30 September 2019 of 4.4p per ordinary share which requires approval by the shareholders of the Company (the “**Shareholders**”). If approved, the dividend will be paid on 25 March 2020 to Shareholders whose names appear on the register at the close of business on 21 February 2020.

Resolutions 3 to 8: Re-appointment of Directors

The articles of association of the Company require one third of Directors to retire by rotation at each annual general meeting. However, in accordance with current corporate governance best practice, it is proposed that all of the Directors, including any Director who has been appointed since the date of the last annual general meeting, shall retire and seek re-appointment at the Annual General Meeting.

Information about the Directors is set out on pages 36 and 37 of the annual report and accounts.

Resolution 9: Appointment and remuneration of auditors

The Company is required to appoint auditors at each annual general meeting at which the accounts are presented, to hold office until the next annual general meeting. The auditors are responsible for examining the Company’s annual accounts and forming an opinion as to whether they give a true and fair view and are properly prepared in accordance with the Companies Act 2006 (the “**Act**”), and the regulations made under the Act.

The Group’s external auditor for the year ended 30 September 2019 was PricewaterhouseCoopers LLP. Independence of the external auditor is essential to ensure the integrity of the Group’s published financial information. During the year the Committee reviewed and approved the audit plan. The auditor’s assessment of materiality and financial reporting risk areas were discussed and challenged.

The resolution also gives authority to the Board to determine the remuneration of the auditors.

Resolution 10: Authority to allot shares

Under section 551 of the Act, the Directors may only allot shares or grant rights to subscribe for or convert any securities into shares if authorised by Shareholders to do so.

Resolution 10, which complies with guidance issued by the Investment Association, will, if passed, authorise the Directors to allot ordinary shares or grant rights to subscribe for or convert any securities into ordinary shares, up to an aggregate nominal value of £254,119 (corresponding to one third of the issued share capital at 28 January 2020) and up to an additional aggregate nominal value of £508,238 (corresponding to two thirds of the issued share capital as at 28 January 2020) in the case of allotments only in connection with a fully pre-emptive rights issue. The Directors have no present intention to exercise the authority sought under this resolution. However, the Directors may consider doing so if they believe it would be appropriate in respect of business opportunities that may arise consistent with the Company’s strategic objectives. The authority will last until the conclusion of the next annual general meeting and it is the Board’s current intention to seek renewal of such authority at each future annual general meeting of the Company.

As at 28 January 2020, the Company does not hold any shares in the Company in treasury.

Resolutions 11 and 12: Disapplication of pre-emption rights

Section 561(1) of the Act requires that on an allotment of new shares for cash, such shares are offered first to existing Shareholders in proportion to the number of shares that they each hold at that time.

Resolutions 11 and 12 are special resolutions to renew the Directors’ authority to allot shares for cash without first offering them to existing Shareholders on a pro-rata basis. Although there is currently no intention to make use of this authority, the Directors consider that it is in the interests of the Company, in certain circumstances, for the Directors to have limited flexibility so as to be able to allot shares without having first to offer them to existing Shareholders. These resolutions are consistent with the Pre-Emption Group 2015 Statement of Principles for the disapplication of pre-emption rights (the “**Statement of Principles**”).

Resolution 11 seeks to authorise the Directors to allot shares for cash without complying with the statutory pre-emption procedure provided the allotment is either (a) in connection with a rights issue, open offer or other pre-emptive issue or (b) is a non-pre-emptive issue for cash which is limited to shares having an aggregate nominal amount of £38,117.85 corresponding to five per cent. of the issued share capital of the Company at 28 January 2020, in line with the Statement of Principles.

The Directors are also seeking additional approval, set out in Resolution 12, for the disapplication of pre-emption rights on shares issued for cash up to a further nominal amount of £38,117.85 corresponding to five per cent. of the issued share capital of the Company at 28 January 2020. This authority can only be exercised in connection with one or more acquisitions or specified capital investments that the Directors determine fall within the Statement of Principles.

The Directors confirm that the additional five per cent. authority will only be used in connection with an acquisition or specified capital investment which is announced contemporaneously with the issue, or which has taken place in the preceding six-month period and is disclosed in the announcement of the issue.

The Directors will also have regard to the guidance in the Statement of Principles concerning cumulative usage of authorities within a three-year period. Accordingly the Board also confirms that it does not intend to issue shares for cash representing more than 7.5 per cent. of the Company's issued ordinary share capital in any rolling three-year period other than to existing Shareholders, save as permitted in connection with an acquisition or specified capital investment as described above, without prior consultation with Shareholders.

The authority will last until the conclusion of the next annual general meeting and it is the Board's current intention to seek renewal of such authority at each future annual general meeting of the Company.

Resolution 13: Purchase of own shares

The Board is seeking at the annual general meeting to renew the authority given on 27 February 2019 for the Company to make on-market purchases of ordinary shares of £0.02 each in the Company ("**Ordinary Shares**") (for subsequent cancellation) of up to 3,811,785 Ordinary Shares, representing 10 per cent. of the existing issued share capital of the Company at 28 January 2020. The Board seeks the authority of the Shareholders to allow the Company to do so; such authority to expire on the earlier of the conclusion of the next annual general meeting of the Company or 15 months from the date of the passing of this resolution.

The Board believes that it is in the best interests of all Shareholders that the Company has the flexibility to undertake market purchases of its own shares.

The maximum price (exclusive of expenses) that may be paid for any on-market purchase by the Company of Ordinary Shares (derived from the AIM Appendix of the London Stock Exchange Daily Official List) will not exceed 105 per cent. of the average of the middle market quotations for those Ordinary Shares for the five business days immediately preceding the date on which such purchase is made. The minimum price (exclusive of expenses) which may be paid is £0.02 per Ordinary Share. Ordinary Shares which are purchased by the Company will be cancelled.

Annual general meeting

As indicated in the attached notice of annual general meeting, the thirteen resolutions will be proposed to the Shareholders at the annual general meeting. The annual general meeting will be held at 9 a.m. on 18 March 2020 at the Radisson Blu Hotel, London Stansted Airport, Waltham Close, Stansted CM24 1PP.

Action to be taken - proxy forms

If you are not able to come to the AGM in person, your vote is still important. I would therefore urge you to submit your vote online at www.nexusshares.com to be received by 09:00am on Monday 16 March 2020. Submission of a proxy appointment will not prevent you from attending and voting at the AGM in person should you wish to do so. CREST holders can use the CREST electronic proxy appointment service as soon as possible in accordance with the instructions printed on the form and the notes to the notice of the annual general meeting.

Recommendation

The Board believes that the proposals being put to the Shareholders as described in this letter are in the best interests of the Shareholders. Accordingly, the Directors unanimously recommend that you vote in favour of the resolutions to be proposed at the annual general meeting. The Directors intend to vote in favour of the resolutions in respect of their own beneficial holdings amounting to 10,058,291 Ordinary shares (representing approximately 26.4% of the Company's issued share capital as at 28 January 2020).

Yours faithfully

Geoffrey French
Chairman

3. A proxy does not need to be a member of the Company but must attend the Meeting to represent you. If you wish your proxy to speak on your behalf at the Meeting you will need to appoint your own choice of proxy (not the Chairman) and give your instructions directly to them.

4. You may appoint more than one proxy provided each proxy is appointed to exercise rights attached to different shares. You may not appoint more than one proxy to exercise rights attached to any one share. Please indicate the proxy holder's name and the number of shares in relation to which he or she is authorised to act as your proxy (which, in aggregate, should not exceed the number of shares held by you). Please also indicate if the proxy instruction is one of multiple instructions being given. All forms must be signed and should be returned together in the same envelope. Failure to specify the number of shares to which each proxy appointment relates or specifying more shares than the number of shares held by you at the time set out in note 1 above will result in the proxy appointments being invalid.
5. A vote withheld is not a vote in law, which means that the vote will not be counted in the calculation of votes for or against the resolution. If no voting indication is given, your proxy will vote or abstain from voting at his or her discretion. Your proxy will vote (or abstain from voting) as he or she thinks fit in relation to any other matter which is put before the Meeting.

Appointment of proxies using hard copy form

6. Appointment of proxies through CREST

8. CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (a "CREST Proxy Instruction") must be properly authenticated in accordance with Euroclear UK & Ireland Limited's ("EUI") specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the Company's agent (ID: RA 10) by not later than 48 hours prior to the time appointed for the Meeting or adjourned meeting. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the Company's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time any change of instructions to proxies appointed through CREST should be communicated to the appointee through other means.

CREST members and, where applicable, their CREST sponsors or voting service providers should note that EUI does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions. It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST personal member or sponsored member or has appointed a voting service provider(s), to procure that his CREST sponsor or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsors or voting service providers are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings. The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertificated Securities Regulations 2001.

Appointment of proxy by joint members

9. In the case of joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior holder will be accepted. Changing proxy instructions

10. To change your proxy instructions simply submit a new proxy appointment using the methods set out above. Note that the cut-off time for receipt of proxy appointments (see above) also apply in relation to amended instructions; any amended proxy appointment received after the relevant cut-off time will be disregarded.

Where you have appointed a proxy using the hard-copy proxy form and would like to change the instructions using another hard-copy proxy form, please contact the Company Secretary, Dawn Hillman at Nexus Infrastructure plc, 1 Tamdown Way, Braintree, Essex CM7 2QL.

If you submit more than one valid proxy appointment in respect of the same shares, the appointment received last before the latest time for the receipt of proxies will take precedence. If the Company is unable to determine which was last deposited or received, none of them shall be treated as valid.

Termination of proxy appointments

11. In order to revoke a proxy instruction you will need to inform the Company by sending a signed hard copy notice clearly stating your intention to revoke your proxy appointment to the Company Secretary, Dawn Hillman at Nexus Infrastructure plc, 1 Tamdown Way, Braintree, Essex CM7 2QL. In the case of a member which is a company, the revocation notice must be executed under its common seal or signed on its behalf by an officer of the company or an attorney for the company. Any power of attorney or any other authority under which the revocation notice is signed (or a duly certified copy of such power or authority) must be included with the revocation notice.

The revocation notice must be received by the Company Secretary not less than two hours before the time for holding the Meeting or adjourned meeting.

If you attempt to revoke your proxy appointment but the revocation is received after the time specified then, subject to the paragraph directly below, your proxy appointment will remain valid.

Appointment of a proxy does not preclude you from attending the Meeting and voting in person. If you have appointed a proxy and attend the Meeting in person, your proxy appointment will automatically be terminated.

Corporate representatives

12. A corporation which is a member can appoint one or more corporate representatives who may exercise, on its behalf, all its powers as a member provided that no more than one corporate representative exercises powers over the same share.

13. As at 28 January 2020, the Company's issued share capital comprised 38,117,850 ordinary shares of £0.02 each.
